

Sunday School Behavior Policy First Parish in Brookline

If the classroom covenant is not followed there is a three-part response procedure:

Part One - if a problem arises, they will refer to the class guidelines and specify which one(s) is/are not being followed. If the problem continues, give **one verbal warning**.

Part Two - If the problem still continues, **remove the child from class to the care of the Director of Religious Exploration (DRE) or designated person**. The DRE will discuss behavior with child and either the child will be returned to classroom

Or

child will be returned to their parent immediately, even if it means they are called out of the service.

Part Three - if a child is sent to the Director of Religious Exploration a second time, a meeting will be scheduled with all parties to develop a partnership plan for improvement.
