

Sunday School Transportation Policy First Parish in Brookline

All drivers on any field trip must be known to this church (teacher, parent, grandparent, youth advisor, RE Committee member), must be at least 25 years of age, and must supply copies of driver's licenses and proof of appropriate auto insurance.

All drivers will require all passengers to use seatbelts and will not accept more passengers than usable seat belts. Car seats will be provided by their families for children who physically are required to use them.

No teen drivers may transport other teens to or from any event hosted or sponsored by First Parish, held on the premises or off the premises, at any time other than Sunday morning. An exception is made for teens transporting siblings.
